17. [] Met with Dorothy Fosdick, Senate Permanent Investigations Subcommittee staff, and gave her a preliminary report as requested on the personnel case requested by Senator Jackson last week. I told Miss Fosdick the file had been reviewed again by the Acting Director of Personnel and that final determination was made in this case on the 5th of July with termination scheduled for 5 August. Miss Fosdick repeated again that it is the Senator's very earnest request that if termination is to be effected that the individual be continued for such period as necessary to allow completion of "other employment arrangements." [] AD/Pers., has been advised. 25X1
